Congratulations on your purchase of a puppy from the Yoder family! We certify that the puppy you purchased is in sound health at time of sale to the best of our knowledge. We do our best to provide your family with a well-loved, happy, and healthy puppy straight from our home to yours! We cannot control the exposure your puppy encounters after leaving our home. Puppies sometimes stress when adopted and moved to their new home. This stress can be brought on due to the move, change of diet, too much handling or not eating properly. This stress can bring on things that are dormant, such as, but not limited to: worms, earmites, colds, hypoglycemia, coccidia and giardia. These conditions are all treatable and do not warrant a reimbursement. Any congenital abnormality or condition deemed to be the breeder's fault will be warranted for 3 years from puppies date of birth, with a signed letter from the diagnosing veterinarian. This guarantee will issue 100% money back or a compromise to keep and recognizes original owners only, but will not cover any veterinary fees or services. However, you must be feeding Pawtree brand dog food and Nuvet Plus vitamins or this guarantee will be voided. To sign up for Pawtree and Nuvet, please go onto our website @ www.pawtree.com/peacefulpuppydreams and www.nuvet.com/769994. Both companies have a great line of products and will give you discount pricing, if you sign up for the autoship program. If you choose to switch puppy over to a different food, it is required that the puppy be examined by a licensed veterinarian within 72 hours of purchase. If any life-threatening health problems are found at time of exam, please contact us immediately. Puppy needs to be returned with a written statement from your vet. If puppy should die within 72 hours of purchase, and autopsy from a state vet lab is required. If for some reason you cannot take care of your puppy, or cannot keep it any longer, please return the puppy to us.
